ABOUT ME

I am 24 years old. During my studies I focused a lot in networking and network security. During my internship I had my first experience with Cisco equipment. Then during my military conscription I had the opportunity to gain more experience about layer 2-4 network protocols so i decided to study about CCNA R&S.

EXPERIENCE

Network Admin

Corfu Airport

05/2016 - 08/2016 Corfu Airport
